Is That Stand Against Dis-
memberment Will Coun-
teract Red Appeal.

POLES WILL ASK FOR AID EVENT AROUSES INTEREST

Probably Will Be In Form of Request
For Extension of Credit; War De-
partment Asked to Sell Clothing
and Shoes; Warsaw Fate Uncertain.

WASHINGTON, Aug. 11.—Great Britain, France and other allied and associated powers have been given copies of the American government's note to Italy, announcing the policy of the United States in favor of the preservation of the territorial integrity of not alone of Poland but of Russia as well.

At the same time means are being planned, it was stated officially, for the note to reach the Russian people themselves. This is with the hope that the expressed views of the American government as to the future of Russia will have weight in counteracting the appeal to Russian nationalism now being made by soviet authorities.

The fact that the note was addressed to Italy rather than to Great Britain or France was discussed generally in official and diplomatic quarters. Semi-officially the opinion was expressed that Italy in requesting a statement of the American government's views was acting in entire accord with its allies.

Whether there will be further exchanges between America and the Allies will depend largely, it was said, upon events in Poland.

WASHINGTON, Aug. 11.—Poland will ask immediate aid of the United States in its fight against the Russian Bolsheviks, the Polish minister here announced today.

The appeal to the State Department, the minister said, will be based upon the assurance contained in the American note to Italy that the United States will insist upon maintenance of the political independence and territorial integrity of Poland.

The aid requested, it was said, probably will be confined to a request for an extension of credit by the United States for the purchase by Poland of surplus war stocks. Permits on to purchase 200,000 army uniforms and 200,000 pairs of shoes from the War Department stocks already has been asked of the department by the Polish legation.

WARSAW, Aug. 11.—A concentration and regrouping of the Polish forces for an extensive counter stroke on the entire Warsaw front is reported by today's newspapers.

The plans are, it is said, to begin this counter movement within a few days. Military men expressed the opinion that this is a propitious time to strike back in an effort to drive off the soviet forces which are endeavoring to encircle the capital.

PARIS, Aug. 11.—The Russians now are occupying a stretch of 24 miles of the direct railway line between Warsaw and Danzig and a large force is pushing across the Danzig corridor to cut the remaining railroad, according to the French foreign office today. The section of the main line held by the Russians is between Ciechanow and Mlawa.

PARIS, Aug. 11.—The French government has decided to recognize General Antonov-Petrov as head of the defacto government of South Russia. In making this announcement the ministry of foreign affairs said this recognition implied rendering General Wrangle all possible military assistance.

France will send a high commissioner to Sebastopol immediately, the foreign office stated.

Two reasons were given by the foreign office for recognizing General Wrangle. The first was his promise to assume all the obligations of the former Russian government. France notified Premier Lloyd George yesterday of her action to this effect, it was stated.

COPENHAGEN, Aug. 11.—A representative of the Russian soviet command waited in vain at the front of the Polish armistice delegation on the evening of August 9 but neither the delegation nor any message from Warsaw arrived, according to Maxim Litvinoff, the soviet representative here.

PLANE FLIGHTS TODAY.

Fair Weather Favors Aviators First Time in Several Days.

With the first fair weather in several days, Captain W. L. G. Smith planned to have his airplane in action this afternoon and evening. Several flights are planned.

The soggy condition of the ground at Trotter prevented getting the machine up for the first of the week.

Playground Outing.
The number of children at the playgrounds this morning at 9 o'clock and went to the old one well above Reidmore where they walked today under the care of the supervisors, Helen Gray, Ruth Robinson and Dewey Miller.

CONNELLVILLE'S ATHLETIC STARS IN FIELD MEET TODAY

Danner, Hume, Bufano, Pollock, Struble and Conn Are Contestants.

EVENT AROUSES INTEREST

Among the Enthusiastic Rooters of Company D and the Sanitary Detachment; Regiment Has Day on Rifle Range; Company Street Practice.

CAMP PETER, MOUNT GRETN, Aug. 10.—The interest of everybody in the 10th Regiment, and particularly in Company D and the Sanitary Detachment, is centered in the field meet tomorrow. This will draw into competition a number of star athletes from the different outfits, most of whom have figured in important athletic events at their home high schools or at well known colleges.

Company D and the Sanitary Detachment will have good representation and of course the loyal rooters of these organizations will be on hand and the expectation is that a goodly share of the honors will go to their favorites.

Private Danner, who has been placed in charge of athletics for Company D, has made a place on the regimental baseball team, having received official notice to report for practice yesterday. He will be one of the participants in the field meet along with Struble, Pollock, Hume, Bufano, L. Conn and others.

Governor Sprout failed to arrive yesterday as expected. All efforts of division headquarters to locate him, or learn the cause of his delay, failed.

The 10th Regiment spent the day on the rifle range with fairly satisfactory results at the shorter ranges.

Members of the Medical Detachment are fast becoming soldiers. Drill is merely pastime for the boys. They were all out of sorts Tuesday because they could not drill, due to a drizzling rain which began about 10 p. m. Monday and continued through the night until about 9:30 a. m. the next day.

"Bunk fatigue" was very contagious. Especially so in some cases. Sergeant Struble was the busiest.

This camp life is sure enough changing many of the boys, especially those from the offices. We are continually painting blisters on their hands caused by persistent rifle drill. Private Franks of Company D is a regular patient at the infirmary due to blisters. Everybody hopes he won't get on the rock pile as we are not equipped to haul iodine by the barrel.

We are also training men to use polish and brushes. Charlie Jim wants to get next to Bob Cunningham when he returns. He's good.

Weaver has given up barbering and has doctored his blue denim to take up duties in and about the kitchen along with Wendel.

Pie a la mode is obtainable at the camp canteen. Sixty cents buys a regular meal, if you are not hungry.

Profiteering is progressing rapidly. Many Woolworth wash basins can be had for half a dollar.

Weaver and Isola run short of change so they opened up their barber shop for business again.

We had a visitor last night from Company A. He was looking for the out post.

CIVIL WAR THREATENED

Trouble Imminent in Vera Cruz Over Naming of New Governor.

By Associated Press.

VERA CRUZ, Aug. 11.—Civil war in the state of Vera Cruz is said to be inevitable should the federal government send troops into the state to enforce the order of Provisional President de la Huerta dismissing Governor Antonio Nava from office.

The Nava government is still functioning and has taken no notice of the presidential order appointing a new governor.

Found Dead in Mine.
MT. PLEASANT, Aug. 11.—Yesterday afternoon the dead body of Ben King, colored, of Howard street was found in the small mine owned by Charles Bossart, near Pole Cat. It was taken to Zimmerman's undertaking rooms. It is not known if the man died of heart failure or from gas or suffocation.

Infant Dies.
Anthony Dymbrocky, 18 days old, son of Mr. and Mrs. Kasimir Dymbrocky, died this morning at the family residence at Trotter. Funeral services will be held at the house tomorrow afternoon at 2:30 o'clock and at 3 o'clock in Holy Trinity church, West Side.

Concert at Shady Grove.
The Connellsville Military band will play at Shady Grove park Sunday afternoon and evening. Miss Eleanor Savage of Pittsburg, who has been filling an engagement of two weeks with Danny Nirella's band at Conneaut Lake, will be the soloist.

West Side Boy in Navy.
George Luther Black of First Street, West Side, enlisted at the local Naval Recruiting Station yesterday. He left this morning for the electrical school at the Naval Operating Base, Hampton Roads, Va., for instruction.

Mrs. Mary Doyle of East Park won the \$5 prize given by the Scottdale firemen in a bean guessing contest at the Scottdale outing at Oakford park Saturday.

TWO INJURED IN MINES IN INDIAN CREEK VALLEY

Accidents Occur Simultaneously in Separate Workings in Rogers Mill Field.

Alva Johnson, 22 years old, suffered a fractured leg when he was caught by a fall of slate in the mine of the Silex Coal company near the White bridge. He was removed to the Cottage State hospital.

Ernest Porterfield, employed in the mine of the Rogers Coal company at Rogers Mill, suffered burns of the face and chest when dynamite exploded.

COX STARTS TOAY ON LONG ROUND OF SPEECH-MAKING

Swing Over the Country Will
Keep Candidate Going
Until November.

THE HARDING PLAN STANDS

Republican Nominee Will Adhere to
Front Porch Campaign at Home at
Marion Until Late in the Contest;
Speaks to Editors on Friday.

By Associated Press.

DAYTON, O., Aug. 11.—Departure of Governor Cox today from Dayton marked the opening of campaign "swings" scheduled to take him from coast to coast and into almost every state before November. The first of 10 addresses arranged during this month is to be made tomorrow at Camp Perry, O., in presenting the governor's cup as a trophy to the national rifle team.

The governor is not expected to open up on important campaign topics, however, until he addresses the West Virginia Democratic convention at Wheeling Saturday.

MARION, O., Aug. 11.—Senator Harding worked today on the next of his front porch speeches to be delivered here Friday at a meeting of the Republican National association. He did not reveal what the subject would be but some of his advisers expect it to touch on the League of Nations issue. He has indicated that a reply to Governor Cox's declaration that that subject would be included in addresses in the near future.

MARION, O., Aug. 11.—Unhindered adherence to Senator Harding's front porch program of campaigning was announced at his headquarters last night after the progress of the plan had been reviewed at a consultation of the Republican nominee with active leaders of his party.

The announcement was made by W. H. Hays, national chairman, who said the candidate and close advisers agreed that most of his addresses should be delivered here, though he might go to other cities for a couple of special speeches for exceptional events. No speaking days away from Marion have been arranged.

His talks with the party leaders occupied most all of Senator Harding's day. He left his office only to cast his vote in the state primaries.

HUNGER STRIKE FATAL

Charles Wilson Dies at Pottsville After
Fasting 18 Days.

By Associated Press.

POTTSVILLE, Aug. 11.—The hunger strike of Charles Wilson at the county prison proved fatal on the 43rd day when he died this morning.

Wilson, serving a seven-year sentence for a series of holdups and attempted murders, made an effort to break jail last June when he opened his cell door with a key made from a spoon handle, beat the night watchman into insensibility, seized his pistol and engaged in a duel in the corridor with another night watchman. He was finally captured after having been shot in the hip. He was sentenced, making his prison term total 28 years.

June 29 he began a hunger strike and had since refused to eat.

PROHIBS HOLD STAGE

Standard Bearers to Be Named of
Nomination This Evening.

By Associated Press.

GERMANTOWN, O., Aug. 11.—With representatives from all over the country expected to be in attendance, Dr. Aaron S. Watkins, prohibition party candidate for president, and J. L. Colvin, his running mate, will be formally notified of their nomination here today.

The notification ceremonies are to take place at 8 o'clock, proceed during the afternoon by a parade at 3 o'clock.

Winner of Guessing Contest.
Mrs. Mary Doyle of East Park won the \$5 prize given by the Scottdale firemen in a bean guessing contest at the Scottdale outing at Oakford park Saturday.

"BILLY" BISHOP WRITES COURIER OF FRISCO TRIP

Nearly 500 Cities Visited By
Party of Three in
Automobile.

NOT FREE FROM DANGER

While Roads Are Good Part of Way,
One Flirt With Undertaker Much of
Time; Nearly 500 Cities Visited, 90
Counties and 71 County Capitals.

Writing to The Courier from San Francisco, under date of July 31, William C. Bishop gave a graphic account of the motor trip of himself, Mrs. Catherine J. Bishop and the latter's little niece, Virginia Jane Bishop, from Connellsville to the Pacific coast. The letter is rather long for publication in one issue and therefore will appear in installments, the second tomorrow.

"Billy" begins:

After a great, long trip by automobile from Connellsville, Pa., to San Francisco, Cal., 3,600 miles, through 11 states, plowing through the mud of Missouri and the rocky roads of New Mexico and Arizona, over mountain passes, through river bottoms, through miles of canyons and over the great Mohave desert, we arrived safely.

We passed through Pennsylvania, West Virginia, Ohio, Indiana, Illinois, Missouri, Kansas, Colorado, New Mexico, Arizona, and California, touching five state capitals, 90 counties, 71 county seats and passing through 486 cities and towns.

Leaving Connellsville, we went to Uniontown and Brownsville, Pa.; Washington, Pa.; Wheeling, W. Va.; Cambridge, Ohio; Columbus, Ohio; Springfield and Dayton, Ohio; Richmond, Indianapolis and Terre Haute, Ind.; Collinsville, Ill.; St. Louis, St. Charles, Fulton, Marshall, Columbia, Lexington, Kansas City, Mo.; Ocala, Fla. and Dodge City, Kan.; Los Angeles, La. and San Francisco, Cal.

Raton, Wagon Mound, Las Vegas, Santa Fe and Albuquerque, N. M.; Springfield, Mo.; Johnstown, Pa.; Winifred, Okla.; Williams, Ark.; Fort, Seligman, Kingman and Ocala, Ariz.; Needles, San Bernardino, Riverside, Colton, Claremont, Pasadena, Los Angeles, Ventura, Santa Barbara, Los Alamitos, Santa Maria, San Luis Obispo, Alameda, Paso Robles, San Miguel, King City, Salinas, San Jose, Santa Clara and Redwood to San Francisco, Cal.

While at times there is no danger traveling as fast as you like, and lots of times on the desert and over the mountain passes and through the canyons, you are flirting with the undertaker.

Now at Frisco, the end of the Santa Fe trail, or the old National trail, roads end.

Through Pennsylvania there are good roads, most all brick and good going through West Virginia, Ohio, Indiana, but in Illinois, mostly dirt and bad. Then through Missouri all dirt roads and lots of mud when it rains; Kansas roads are all good as well as Colorado, but New Mexico and Arizona are the same as in the past—no improvements much in the two states, mud, rocks, chuck holes and breakers, the hardest two states we have on dirt and springs. But in California roads are all good and still making improvements.

SALVATION ARMY DRIVE FOR \$10,000 BOOSTED OVER TOP

Actual Cash Received Amounts
to \$8,657, Remainder in
Pledges.

EARLY PAYMENT IS ASKED

Persons Who Have Promised to Aid
Cause Should Send Checks to Chair-
man J. E. Wallace or J. L. Kurtz at
Citizens Bank; Dawson's Great Work

With a few belated reports received Monday and Tuesday the drive for \$10,000 by the Salvation Army went "over the top" last evening. Chairman J. E. Wallace has reported to him a total of \$8,657.56 in actual cash and \$1,660 in pledges.

Of the pledges received, payment will extend over a period of several weeks, but it is expected that the checks covering most of the amount will be received within the next few weeks.

The day last Saturday netted several hundred dollars and brought the total to within the striking distance of the goal. The day's receipts in all amounted to \$260.74. Chairman Wallace has appointed a committee to look after the pledge cards and the amounts due will be checked up as they fall due.

To Robert D. Henry of Dawson is given much of the credit for the success of the drive. His report of \$5,000 for the Dawson district actually put the campaign over, inasmuch as workers in the other districts had just completed a thorough canvass and collected the quotas assigned to each district.

Alex R. Duncan of Dunbar also contributed largely to the success of the campaign, the \$500 reported by him from that district being the full quota assigned to the Dunbar district. Active in the campaign also were the volunteer firemen. After thoroughly canvassing their allotted territory they volunteered to take over to expectations and in this way turned in several hundred dollars that other teams had apparently missed.

Of the teams in the city proper, that of the Second ward, headed by J. M. Boyle, turned in the largest amount. The total from this team was well over the \$1,000 mark. In order to bring the drive in an official close, those who have pledged amounts are requested to send checks to Chairman Wallace or to J. L. Kurtz at the Citizens National bank, as soon as possible.

"BILLY" BISHOP

WRITES COURIER OF FRISCO TRIP

Continued from Page One
Leaving Connelville, we crossed the Youngbush river, on to Uniontown to Brownsville. We then crossed the Monongahela river and went to Washington, then to Wheeling, W. Va., where we spent our first night and where we crossed the Ohio river to Cambridge, Zanesville and Columbus. Here we spent a day seeing the city; then to Springfield and Dayton, Ohio; then to Richmond, to Indianapolis, having good roads all the way. We spent a few days here seeing the city. From this point to St. Louis, the old trail road being closed for repairs, we were compelled to take the Big Four trail, which was very bad as well as through the state of Illinois, but beautiful scenery all the way. We followed the Big Four railroad and the Mississippi river all the way. There would be trouble here of all kinds if it rained.

We now came to East St. Louis, crossed the new free bridge over the Mississippi river into St. Louis proper. It was a very wonderful sight crossing the bridge, which is one mile long.

Coming to St. Louis, we spent a day seeing the city and its parks. From St. Louis to Kansas City the roads are mostly bad all the way, there being deep holes, deep gutters and bad turns, all dirt roads, and should it rain for five minutes one cannot travel, even with chains, and it is necessary to lie up a day or two till the roads dry up.

Leaving St. Louis, we came to St. Charles, where we crossed the Missouri river in Wentzville and Wright City and drove to Warrenton, to Fulton, to Columbia, to Boonville, where we crossed the Missouri once again.

From this time on we are in real town. From this point we are in sight of Kansas City, and within an hour we were there this being the best city in the middle west. We stayed here a few days to see the city, its stockyards and its one parks. At night the lighting display is very wonderful, and the camping ground is one of the best. There are ladies' and gentlemen's rest rooms, running water, electric lights and kitchens for cooking for the tourists. The camping ground is located on a hill overlooking the city.

From there we go to Trinidad, Col., this being one of the best roads in the west. We had to travel all day long traveling at a speed of 40 miles per hour and never hitting a bump.

Wheat fields can be seen at this point on either side of the road, as far as the eye can reach. This is one state that has most remarkable roads, but it is surely hot in Kansas. However, sitting along one doesn't notice the heat much, the roads being level clear through the state.

(Continued tomorrow)

BRECH MILLER.
Bruce Miller, 18 years old, a well-known resident of South Connelville, died Tuesday at his home following a lingering illness. He had been an invalid for the past 16 years and 10 days ago he suffered a stroke of paralysis, which resulted in his death. He is survived by one daughter, Della, and a son, Leslie at home. One sister, Mrs. William Wellington of New Martinsville, W. Va., also survives. Funeral services will be held tomorrow afternoon at 2 o'clock at the family residence, Rev. J. S. Showers will officiate. The interment will be made in Hill Grove cemetery.

HARRY C. DAYTON.
Harry C. Dayton, a well-known Baltimore & Ohio engineer, and formerly of Connelville, died Thursday at his residence in Walnut street, Versailles. He was a member of the Connelville Division No. 50, Brotherhood of Locomotive Engineers, and is well known among railroad men here. Two sons, Raymond and Clifford, and one daughter, Mrs. Mildred Hughes, survive.

Funeral services will be held at the family residence tomorrow afternoon at 3 o'clock, Pittsburgh time, and at 2 o'clock, Connelville time.

NEWSY NOTES TELL WHAT'S HAPPENING IN THE MILL TOWN

**Saturday Tag Day to Aid
Drive for Salvation
Army Fund.**

27 YOUNG WOMEN ENLISTED

This feature of campaign in charge of Mrs. Ben Miller, Kingsview Girl, who is preparing complete for Grange Oiling at Ore Mines.

Special to The Courier.
SCOTSDALE, Aug. 11.—Mrs. Ben Miller, who has charge of the tag day for the Salvation Army drive, has set Saturday as the day for this part of the campaign for funds. Mrs. Miller will be assisted by Mrs. G. E. Huttie and Mrs. Lucy A. Poole. Twenty-seven girls will do the tagging in Scotland on Saturday.

Grange Oiling Saturday.
Everything is in readiness for the Grange Oiling picnic that will be held at the Ore Mines on Saturday. There will be an address by Dr. Bechthold of Puncutawney, state deputy of the Pennsylvania Grange, also an address by J. D. Corle of Uniontown. There will be music and other features. It will be a basket picnic.

Stimmler-Hunker.
Miss Mary Myrtle Stimmler, daughter of Mr. and Mrs. Marion Stimmler of Kingsview, and John David Hunker of Blairsville were married at 5 o'clock last evening at the Pittsburgh street home of Justice of the Peace William Kennel, who performed the ceremony. The only attendants were the bride's parents. Mr. and Mrs. Hunker will make their home at Blairsville.

Stock Slays in First Place.
The stock led the grim reaper both in Scotland and East Huntingdon township during the month of July. In Scotland there were seven births and three deaths and in East Huntingdon township 13 births and eight deaths.

Bendiner's Public Sale.
Just a few more days and the greatest sale we have ever held will be a thing of the past. Stocks have been materially reduced, but there are still hundreds of low-priced articles you will be delighted to own. You may never again have the opportunity of buying goods at such sensational reductions—at least not for many months. Our policy of guaranteeing our advertising as to prices and quality has again been proven. Of the enormous crowds attending the sale, not one customer returned her purchase with the request that her money be returned. There was but one disappointing feature of the sale—the store was so crowded on the opening days that some could not get waited on. Those who did not come in later may still find their requirements. We wish to number you among the fortunate shoppers. Bendiner's Ladies Store, as you get off the car.—Adv.

Missionary Meeting.
The Missionary society of the Reformed church will meet at the home of Mrs. Caroline Brinker, Broadway, on Thursday evening.

Loyal Daughters Picnic.
The Loyal Daughters class of the Christian church held a moonlight picnic in the Brownstown woods last Thursday evening. After a business session, at which work was planned for the future, Mrs. Wright was elected assistant teacher. The supper was served by the social committee. The guests of the class were Miss Weaver and Miss Clara Liston and the members of the Young Men's Bible class. The chaperons were Mrs. C. D. Shank and Mrs. Buddie.

Mrs. Westlake's Funeral.
The body of Mrs. Bertha White Westlake will arrive here from Trafalgar City tomorrow morning on the 10:07 Pennsylvania train and will be taken immediately to the Methodist Episcopal church, where funeral services will be conducted by Rev. C. L. E. Cartwright and the local pastor, Rev. N. L. Brown. Interment will follow in the Livingston cemetery.

Rev. E. H. Laubach attended the missionary conference of the Reformed church at Ridgeview park last week. He spent last Sunday among his former parishioners in Monroe, Clark county. Services will be resumed in Trinity Reformed church next Sunday morning.

Personal News.
Mr. and Mrs. Eugene Miller of Birmingham, Ala., are the guests of Mrs. J. P. K. Miller.

Mrs. Howard McMeekin has returned to her home at Hazelton after a visit with friends here.

Miss Lucy Glassburn is spending a week at the country home of Mrs. H. L. Bell at Stahlstown.

Mr. and Mrs. William Kennel, son of Mr. and Mrs. John Kennel, spent the past week at Anna Miller and while there visited Hugh Yano. Mrs. Nellie Cole is visiting relatives in Somerset and Meyersdale for a few weeks.

U. S. "Ace of Aces" Now Honeymoon Plane Flyer

CAPTAIN "EDDIE" RICKENBACKER, two years ago, was shooting down German airplanes and earning his title of America's "Ace of Aces." This month he was still flying, but it was in a "honeymoon plane." The bride was an Omaha girl. The bridegroom, ex-army aviator, was a friend of America's premier war flyer, "Eddie" was in New York. So was a JLG all-metal monoplane.

Its limousine cabin, seating four and upholstered in mouse-colored corduroy with gold-fitted vanity case and clock, cut glass flower vase and damask curtains seemed

to fit it for a veritable honeymoon cruise near to the moon and stars in cloudland's elysium of bliss. "Fine," said Rickenbacker after a test flight, "the plane is a peach. Riding in it is just like riding in an automobile." The Omaha trip was made at 125 miles an hour. It was of the JLG, tested for a week at Bolling Field and hidden in by General Menoher and Mitchell, that army aviation experts will revolutionize aircraft. They see in it possibilities of speeding up utilization of flying machines for commercial purposes, as well as an excellent weapon of war.

Confluence.

CONFLUENCE, Aug. 10.—Mr. and Mrs. Louis Laubach and little daughter of Connelville visited friends here Sunday.

Rev. C. W. Hoover of West Bridgeview, who is spending a vacation at Flanagan Station, preached at Johnson Chapel Sunday. He was pastor of the church at one time.

Rev. R. B. Daumier of the Baptist church at Ohiopyle, preached in the local Baptist church Sunday.

Mr. and Mrs. M. M. Thomas of Markleysburg and Mr. and Mrs. A. A. Thomas of Pittsburgh were Sunday guests of Dr. and Mrs. H. P. Meyers. Cyrenus Cronin, who was ill, is reported improving.

Edward Silbaugh of Harnedsville was here yesterday on his way to Somerset on business.

Mrs. D. H. Shank, who recently underwent an operation at the Franklin hospital, is getting along very nicely.

Mr. and Mrs. J. E. McDonald and Rev. William Grant and Mr. and Mrs. John Davis motored to Mountain Lake park and return Sunday.

E. B. Brown is recovering from the injuries he received to his hand several weeks ago.

Husband and Wife Fined.
Ben Biko and his wife, Mattie, were fined \$10 and costs last night by Alderman S. H. Howard on charges of disorderly conduct and disturbing the peace, brought by Francis J. Logan, a neighbor.

August Furniture Sale

Savings Range 15% to 40%

Reductions on All Furniture

Now is the time that the statements we have made regarding the strength of this great sale are proving themselves.

Only a great store with great resources could stage a selling event of the magnitude of this one. It's the merchandise behind this sale that has made it great—it has been the fact that people came and actually saw what we have been telling; them is true—that every piece of furniture offered during the sale, or any other time in our store is furniture of real worth.

There is no economy in buying anything just because it is cheap. But—with the opportunities to choose from stocks of the size of ours, we know that all who wanted good furniture could find just what they wished here.

If you haven't already done so, come in tomorrow and take advantage of this great opportunity before it is too late. You can't hold back the time, and even as we write this, it is shipping by.

Don't be one of those who will regret later when the opportunity is gone.

URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little, Says Leading
Druggist of Covington, Ky., Who Has Made
Special Study of Catarrh.

**Says: Inflamed Nostrils
Invite Influenza**

People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of influenza, but many other kinds as well.

If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcline mixed with enough boiled water to make a full pint, half of the catarrh in this country would be abolished. It's really no joke for people

who don't know about this simple recipe to be constantly sniffing and snuffling, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days.

Ask for three-quarters of an ounce of Mentholized Arcline—that's all you need and after you have mixed it with enough boiled water to make a pint, gargle the throat twice daily and sniff or spray some up the nostrils, as directed.

The tender nostrils will soon lose their soreness, heal up, and be clean and healthy.

Important Reminder: Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

GRANDMA NEVER THOUGHT SO BEFORE

VARDING EASILY THE BETTER MAN

Voters Will Have Little Difficulty
In Making Choice of Presi-
dential Candidates.

G. O. P.'S CHOICE JUSTIFIED

Senator's Public Utterances Since His
Nominations Have Shown Ability
That Fits Him for Position of
Chief Executive.

The quickness with which the public has accepted the Democratic candidate on the League of Nations have been driven home like a slap to the face of the country and satisfied it that Senator Harding is a lively and able leader. Whether or not he is the greatest difference of leaders who frequent the capital over the wisdom of a such campaign they all admit that Senator Harding would be good any way. In picking up his opponent's lead and returning it, he soon as had Governor Cox given him the opportunity to show back to the "Mr. Harding" issue than the senator really counted. The whole country knows, as all newspaper headlines indicate, how the effort of the governor to help himself at the expense of the Wilson administration and steal a little Republican thunder, was met by Senator Harding, who said a few words congratulating Mr. Cox's intention to return to Republican practice in putting fit men in the cabinet and how Mr. Cox came a cropper, while the country grinned. After all, it's not the porch, nor the car platform, but the man that does the trick.

"It was a bad day for Dayton," says the Philadelphia Public Ledger, "when the question of departmental efficiency was brought up, for the Marion reply was as good as if it had been prepared in advance in answer to a starved question. If the spellbinders will but take the Harding hint and the Cox maneuvers continue to give such tempting openings, it will not make much difference if the governor swings about the circle or the senator stays on the porch."

The San Francisco Platform. The tactics of the convention were simple, every possible evil thing was declared to be the fault of the Republican congress. Every other evil thing was declared, with adjectives and adverbs, to be nonexistent. If it was an evil for which the administration is obviously and directly responsible, it was declared to be (a) nonexistent, and (b) a great achievement, pricelessly valuable to the nation. It was in this frame of mind that the convention managed to endorse Mr. Hugheson (though it had to go back to the parents point to find something creditable in the department), to make a purely perfunctory declaration for free speech, to ignore domestic currency inflation as a cause of high living costs. After that the platform needed only to endorse Santa Clara and to deny the rumor that babies are brought by stork, to be complete.

—The New Republic.

Just a Beginning. The Republicans, sneers a contemporary, have so much to say of what they are pleased to call personal government, one-man rule, autocracy, and so forth, that one would like to know what they propose to put in place of it. Well, we would suppose first of all that they propose to break the American system in which co-ordination and co-operation are the rule, in which the president is not a sort of grand lama, living in seclusion and shaping his policies without outside counsel. And for a beginning that would suffice.—Louisville Herald.

Harding's Vote on War. In his speech on the war resolution in the senate in April, 1917, Senator Harding said: "I want it known to the people of my state and to the nation that I am voting for war tonight, for the maintenance of just American rights, which is the first essential to the preservation of the soul of this republic."

Senator Harding was not moved by sentimental considerations; not by President Wilson's oft-repeated claim that the United States entered the war "to make the world safe for democracy."

To Stump for Harding. Mrs. Medley McCormick, wife of Senator McCormick of Illinois, plans to take the stump for Harding and Coolidge after a short rest at their Illinois farm for a month. She so informed Senator Harding when she and Senator McCormick called to pay their respects.

What You Can Look For In Atlantic

There are certain features about Atlantic Gasoline that make it the best motor fuel on the market. These are not unfounded claims or idle boasts. They are facts that you can prove to your entire satisfaction in your own car.

FIRST: Atlantic Gasoline is highly volatile. Whether in traffic, or on the open road it insures a "quick get-away," for it always responds instantly to the spark.

SECOND: Atlantic is so refined that it all burns. It gives you added power—lots of it. You'll notice the difference on the hills and rough spots.

THIRD: Frequent carburetor adjustments are unnecessary with Atlantic in the tank. It has range that makes it function perfectly in different altitudes and changing weather conditions.

FOURTH: Because it all burns, it is the most economical gasoline. Each gallon is good for extra miles.

FIFTH: The quality is always the same. Every gallon refined must measure up to a definite high standard before it can be sold to the public. You can rely on Atlantic.

Just pull in wherever you see the Red Pump, and fill up the tank with the one gasoline that you know is right—

HONEYMOONS IN ODD PLACES

Persons of Adventurous Disposition
Have Spent Their Most Arctic
and Savage Days.

Mr. Elkins, the wealthy young American who recently took his bride for a honeymoon "as near the North pole as he can comfortably get," is by no means the first bridegroom who has spent his "month of honey" in this chilly environment, says London Answers.

A few years ago Mr. Max Fleischmann, a Chicago millionaire, at his bride's request, took her straight from the altar to the Arctic wastes, where they spent, on their own evidence, "delightful" months, hunting seals, reindeer and polar bears, two of which fell to the bride's own gun. Mrs. Fleischmann's honeymoon wardrobe, we are told, consisted of an assortment of sheepskin dresses, lined with leather.

Less ability, but no less adventurous, was the honeymoon journey of Major Powell-Cotton, who took his bride on a long and hazardous journey through Africa, spending many months in the heart of the Ituri forest, hunting the okapi and making friends of the ape-like pigmies, who had never before even seen a white woman.

But the most daring and adventurous of all recorded honeymoons was that of Captain Andrews, an American sailor, and his bride, who started to cross the Atlantic in a "cockleshell," 12 feet long, and were never seen again.

INDIAN IDEA OF RECKONING

Time Designated in Simple Fashion—
Journeys and Distances Told Off
by "Sleeps."

The American Indians of early days reckoned time by what they called "sleeps" and "moons." The Indian's "sleep" referred to a sun-to-sun day of 24 hours and his "moon" to what the white man roughly and improperly calls a month. The Indians indicated the moon hour by pointing vertically upward. To indicate the middle of the first half of the daylight period—9 o'clock—he pointed upward midway between the horizon and the zenith and to indicate mid-afternoon—3 o'clock—he pointed toward the opposite quarter. He spoke of the eastern horizon as "sunrise" and of the western horizon as "sunset."

Journeys and distances between different points were measured in "sleeps." Thus, when he undertook to tell how far he had traveled or to tell how far one point was from another, the old-time Indian would say a certain number of "sleeps." Ordinarily, a "sleep" in this sense corresponded to something like 35 miles—the distance a man could cover in a day, traveling at an ordinary pace on foot. However, it was not unusual for men carrying important messages to make twice 35 miles or more in a single 24-hour period.

It Did. "My dear sir," said the salesman, courteously, as he handed his customer his package and no change, "you will find that your suit will wear like iron."

And sure enough it did. The man hadn't worn it two months when it began to look rusty.—New York Central Magazine.

LOGAN CLAIMS CREDIT

For Arrest of Man Charged With Rob-
bery of West Side Store.

Credit for the apprehension of Charles Edward Miller, wanted for complicity in the robbery of the store of A. Enany & Brother of the West Side some time ago, which was effected here last evening, is claimed by Francis J. Logan of Baldwin avenue who sent out circulars descriptive of the suspect. Miller was arrested in a local pool room last evening by Chief of Police W. B. Bowers and Patrolman D. H. Turner. He was held today by Alderman S. H. Howard, pending the return from the convention of the Western Pennsylvania Firemen's association at Conneaut Lake of Patrolman V. B. Ritchie, an important witness. Logan said he learned that Miller had been offering about the store and acted on the belief that he was the man wanted.

Robert Miller, wanted for the robbery of the tailoring establishment of H. J. Boelter of goods valued at \$300, is still at liberty. His description appeared on the same circular.

SKIFF CAPSIZES

Two Men Drowned, Two Escape In
Mishap at McKees Rocks.

PITTSBURGH, Aug. 10.—Two men were drowned and two others escaped the same fate by swimming ashore when a skiff carrying the men to work at McKees Rocks capsized in the Ohio river today.

According to witnesses, one of the drowned men attempted to change his seat in the skiff, causing it to capsize.

Goodyear Tires Plus Our Service

That's all—and isn't it enough too?

You have always wanted a Goodyear but maybe you thought the Goodyear name meant a high priced tire.

The initial cost of Goodyear Cords is fairly high, but we know and the users know that they are worth every cent they cost. The final cost—the cost per mile—is the only real cost.

Here is a Goodyear Fabric Tire for the smaller cars.

It is a winner, and as chuck full of value for the money as the Goodyear Cord.

Look at this:

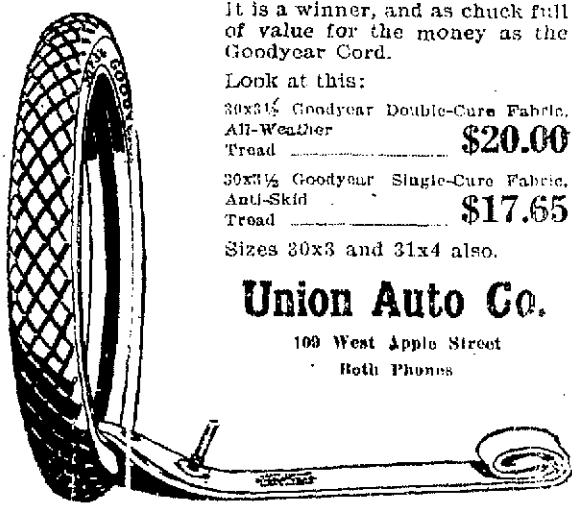

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$20.00

30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$17.65

Sizes 30x3 and 31x4 also.

Goodyear Tires for Small Cars Are Popular Because Economical

There is nothing but disappointment in buying cheaply made tires that are announced as wonderful bargains at a few dollars each and then fail after brief terms of service.

Get exceptional mileage at exceedingly low cost in Goodyear Tires, of the 30x3, 30x3 1/2 and 31x4-inch sizes, built of Goodyear-selected materials and with Goodyear skill and care.

Due to their precise manufacture in the world's largest tire factory devoted to these sizes, their quality is most economically produced and therefore most economically employed.

If you own a Ford, Chevrolet, Maxwell, Dorr or other car taking these sizes, go to your nearest Service Station for Goodyear Tires; ride farther and fare better.

30 x 3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$23.50

30 x 3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk cordy casings when such sure protection is available? 30x3 1/2 size \$4.50 in waterproof bag.

NEXT TROTTER-LEISNERING

Because of the West Penn outing at Oakford park tomorrow the fourth game of the Trotter-Leisnering championship series has been postponed to August 18. The clash will be at Leisnering. Leisnering has taken two of the three games played, the last one by a close margin. Tens on will be high when the rivals meet for the fourth.

WHITNEY HERE SATURDAY

Whitney will be the attraction at Fayette Field Saturday afternoon. While some of the members of the independent team will be missing from the lineup, due to the trip east of the Baltimore & Ohio team, the places will be filled by capable substitutes and assurance is given that there will be a first-class game.

UNITED AT TROTTER

Trotter and United are scheduled for a game at Trotter Saturday afternoon.

CHURCH

Rain has played havoc with baseball schedules this week. Each day's forecast of showers has been made good, always in the afternoon, about game time.

A shower put an end to the Pittsburgh-Connellsville game at the West Penn outing at Oakford park yesterday, with the score 3-1 in favor of the Smoky City outfit.

Almost, Dock pitched a no-hit game for St. Louis yesterday in Philadelphia. His failure to cover first on a smash by Williams cost him the honor. Hornsby stopped the ball and could have retired the batter had there been somebody on the initial out. Williams was the only hit by the Quakers.

HERMAN WILL BATTLE WILDE

Bantamweight Champion Signs to Go Twenty Rounds to Decision at Holborn Stadium.

England seems to have caught the American craze for really big bouts, at least big so far as paper is concerned.

The latest is that Peter Herman, the world's bantamweight champion, has

signed for a bout with Jimmy Wilde at Holborn Stadium, London, on September 17, over the 23-round route to a decision.

And all Herman receives as his end for meeting the mighty atom is all expenses, a percentage of the motion picture money, along with \$20,000 in American money, free from taxation, the weight to be 118 pounds ring-side.

BIG COLLEGE GOLFERS BEST

Wale, Harvard and Princeton Had Things Pretty Much Their Own Way Until Last Year.

Since 1897, when the eastern intercollegiate golf tourneys began, no other college outside of Yale, Harvard and Princeton won the individual championship until last year, when A. L. Walker of Columbia proved victor.

HERRON IS LONGEST DRIVER

National Amateur Golf Champion Is Getting Greater Distance Now Than Ever Before.

S. Davidson Herron, national amateur champion, is making rapid strides toward another title—the title of America's longest driver. He is getting greater distance now than ever before, as witness the following figures.

ures, gleamed while he was downing J. B. Crookston in the recent Allegheny club tournament:

Hole No. 1, length 350 yards, drove 275 yards.
Hole No. 2, length 307 yards, drove 300 yards.
Hole No. 4, length 395 yards, drove 315 yards.
Hole No. 5, length 517 yards, drove 350 yards.

SINGLE G CANCELLED

World Champion Pacer Will Not Be at Dawson Races.

Owing to the recent investigation at the Columbus, O., track, instigated when Single G, world's champion pacer, is alleged to have been "pulled" after winning the initial heat in last week's, Secretary Harry Cochran, has notified the owner of Single G that he will not contract for the appearance of the famous pacer at the Dawson track during the sixth annual Fayette county fair on September 14-17. It was originally planned to bring Single G to Dawson on the third day of the fair to pace an exhibition mile against time.

While Single G has appeared only on mile tracks, the owner will stage exhibitions on some of the best half-mile tracks throughout the country late this summer and early in the fall. The policy of avoiding unsatisfactory events at the Dawson track led to the cancellation. Efforts are now being made to obtain a substitution.

There's really no reason at all why fruit closets should be bare this winter—

Along Every Roadside

—wine-colored elderberries are turning black; wild grapes are clambering over fences and hillsides and Dunbar valley is a thicket of wild plums and waxen coated crab— all these for the picking, the gift of Nature who has been just as generous this year to her humble harvesters in forest and field as to the expensive fruits in well kept orchards.

And those who know the tang of the wild grape between layers of golden sponge cake, the luscious syrup of the elderberry trickling over butter coated biscuits or the tartness of the wild crab on crisp, brown mush will tie themselves to the country these days and out the cost of winter's jelly by sharing in the harvest free to all.

In the Store Downstairs

is all that is needed to fill fruit closets with a minimum of worry. Here are self sealing jars, lids and rings; steam cookers, pressure cookers, jar lifters, wrenches, jelly presses, kettles and everything else to make canning and jelly making easy and sure.

And Gold Bond Stamps on the Things You Buy, Plus Nature's Gifts from Hillside and Field Will Surely Fill Fruit Closets Cheaply This Year

HOW EVERET SCOTT STOPS HOT ONES

This striking photograph shows how Everett Scott, shortstop for the Boston Red Sox, stops the hot ones that burn the ground.

Scott holds the record for participation in consecutive baseball games. When he took the field against Cleveland recently, Scott extended to 579, the number of games in which he has played without interruption.

Several weeks ago Scott surpassed the modern record of 533 games held by Luderus of the Philadelphia Nationals. Then baseball historians dug into the musty archives of the sport to find that George Plinkney, shortstop of the Brooklyn club of 1885-90, had taken part in 575 games in six seasons without a break.

Scott, having played consistently since 1916, has made his record in five playing seasons, with no layoff in prospect.

Scott is a Bluffton (Ind.) boy, and he broke into baseball with the Kokomo club in the Northern league in 1900. He played in the O. P. and Central leagues and with the St. Paul American association club before becoming a regular with the Boston Red Sox in 1914.
